

## INDIVIDUAL REGISTRATION FORM

By signing this form, I am registering to participate in the Energy Challenge Competition. I understand that it is solely my responsibility to consistently visit the [www.ipst.edu/energy\\_challenge](http://www.ipst.edu/energy_challenge) web site and read all newsletters. I further understand that current information and updates are frequently disseminated in both and by not reading these documents my report writing and competition scores may be grossly affected.
